KALIPADA CHAKRABORTY

Software Developer

📞 +91-8372022366   @ kalipada212@gmail.com   🔗 Portfolio   📍 Daspur, West Bengal

PROJECTS

Twitter Clone

📅 10/2023 - 12/2023

🔗 https://github.com/Crakali/twitter-clone

- Developed a Twitter clone utilizing React for front-end, MongoDB for database, and Node.js for back-end
- Implemented Login, Signup, Create Tweet, Follow User like 10+ more features. Established Postgres for the database with all read queries under 10 milliseconds.
- Node.js for the back-end architecture with response time under 50 milliseconds for all APIs. Ensured exceptional performance through rigorous REST API testing with 100% test coverage..

Online code editor

📅 04/2024 - 06/2024

🔗 https://github.com/Crakali/Hotelrent

- Building an online compiler using React.js as frontend and Express.js as backend it will give facilitate to any user such that programs of any language can be compiled and run without downloading any IDE or compiler.
- User able to write C, Java code with proper syntax highlighting as well as compile and execute it online.

Hotel rent site

📅 01/2024 - 03/2024

🔗 https://github.com/Crakali/Hotelrent

- Developed a robust hotel booking site utilizing MERN stack technology.
- Utilized React and Node.js to create a user-friendly interface for seamless booking experiences.Employed MongoDB to store and retrieve hotel data, ensuring efficient data management.

EXPERIENCE

Web Development and Designing Intern

Oasis Infobyte

📅 04/2024 - 05/2024

- Collaborated with a team of developers to integrate the login authentication system into existing web applications, ensuring platform compatibility and functionality.
- Increased platform compatibility by integrating login authentication into {10} web applications.

AI Intern

Edunet Foundation

📅 09/2023 - 09/2023

- Developed a highly secure text encryption and decryption system using Python, ensuring the confidentiality of sensitive information.
- Implemented advanced encryption algorithms to protect data, enhancing the overall security and privacy of communication.

KEY ACHIEVEMENTS

Won 2nd position in collage hackathon compition.

Solve 100+ Leetcode, codchef and HackerRank problems.

EDUCATION

BTech (Computer Science and Engineering)

College of Engineering and Management Kolaghat

📅 2021 - 2024

CGPA
8.2 / 10

Diploma in computer science

Contai Polytechnic (GOVT)

📅 2018 - 2021

PERSENTAGE
75.9 / 100

Secondary and High Secondary

Basudebpur vidyasagar Bidyapith (H.S)

📅 2016 - 2018

- Secondary: - 50%
- high Secondary:- 66%

SKILLS

| JavaScript | React.js | Node.js | Sql | c |

| java | MongoDB | Express.js | Html |

| Css | Bootstrap | Github | Api | Pandas |

| python | Numpy | DSA | PowerBi |

| Object-oriented programming |
